The School of Dance – Procedure for Entering and Exiting the Building/General Information

Every student must submit a signed waiver provided by The School of Dance prior to entering The School for their first class.

Prior to arriving at The School of Dance, we ask that all students fully prepare to dance. This entails having hair done, dance attire on underneath their street clothes, feet prepared for pointe work (if applicable), and dance shoes easily accessible in one bag to limit extra clothing items being brought into the dance space. This will make for an efficient transition of people entering and exiting the space.

Only registered students may enter the building to reduce cross-over contamination and to maintain appropriate physical distancing requirements before and after scheduled class times. Class start and end times will be staggered to limit the number of students in a common space at the same time.

Students must be masked to enter The School of Dance. Students will be allowed entry just prior to their class times and will be asked to leave quickly after their class is over.

All individuals will be screened at the entrance. An administrator will verify full vaccination status and ID for students aged 18 or over, and record a verbal confirmation that all students are asymptomatic. Entry will be denied to any person who has any of the symptoms outlined below, and they will be directed home and instructed to contact their health care provider. We will ask:

Q – Do you have a confirmed case of COVID-19 or have you had close contact with anyone with a confirmed case of COVID-19?

Q – Have you travelled outside of Canada in the past 14 days or had close contact with anyone who has?

Q – Have you had close contact with anyone with an acute respiratory illness?

Q – Do you have any of the following symptoms:

- Fever/temperature
- New onset of cough
- Worsening chronic cough
- Shortness of breath
- Difficulty breathing
- Sore throat
- Difficulty swallowing
- Decrease or loss of sense of taste or smell
- Chills
- Headaches
- Unexplained fatigue/malaise/muscle aches
- Nausea/vomiting, diarrhea, abdominal pain
- Pink eye (conjunctivitis)
- Runny nose/nasal congestion without other known cause

Once inside, students will be asked to disinfect their hands. All outdoor belongings (shoes, jackets, dance bags, et cetera) will be placed in plastic bags provided by The School and these bags will be taken by the student to the classroom and stored in a designated spot. The bags will be taken home by the students for disposal.

Waiting areas are closed and students who are about to enter their class will stand at the space markers placed in the common areas to ensure two metre physical distancing requirements are adhered to at all times.

Once students are able to enter the studio, they will go directly to their place at the barre, or their square in the centre of the room. While in the studio, students must stay in their designated area unless otherwise instructed by the teacher. If a student needs to use the washroom or leave the studio for any reason, they must ask the teacher and follow their instructions. Hand disinfectant must be used before entering the classroom.

Dancers must have their own equipment. Sharing of personal items including food and water bottles is strictly prohibited. Water fountains, lockers, and dressing rooms will not be in use.

All students from Junior Ballet 1 up require their own rolled yoga mat.

Parents/guardians are advised to wait with students until the designated drop off time outside of the building, and to meet their student outside the building after class at the designated time. Children's safe exiting of the building to a parent/guardian will be monitored by staff of The School. Classrooms are sanitized and reset between classes so strict adherence to the schedules is a must.

The School of Dance will be locked.

All registration and general communications with The School will be done by email or phone.
