The School of Dance Attendance Procedures and Protocols

All registration and general communications with The School will be done by email or phone.

Every in-person student must submit a signed waiver provided by The School of Dance prior to entering The School for their first class.

Students who are unwell should stay home.

Prior to arriving at The School of Dance, we ask that all students fully prepare to dance. This entails having hair done, dance attire on underneath their street clothes, feet prepared for pointe work (if applicable), and dance shoes easily accessible in one bag to limit extra clothing items being brought into the dance space. This will make for an efficient transition of people entering and exiting the space.

The wearing of masks to enter the building and during classes is optional.

Outside footwear is removed upon arrival.

Class start and end times are staggered whenever possible to limit the number of students in a common space at the same time.

Students are asked to enter the building just prior to their class times and will be asked to leave quickly after their class is over.

Dancers must have their own equipment. Sharing of personal items including food and water bottles is strictly prohibited. A water bottle filling station is located on the first floor. **Please do not wear scented products as they can aggravate health problems for some people with medical conditions. In addition, due to allergies The School of Dance is a nut and peanut free building. Your cooperation is appreciated.**

Additional protocols may be put in place as appropriate in accordance with public health recommendations.
